GET SUPPORT FOR YOUR
HEALTH CONCERNS—24/7

Medica CallLink® Nurse Line

When you want help making smart decisions about your health or the health of a family member, consider a call to the Medica CallLink nurse line. The nurse line offers immediate access to experienced, registered nurses who can answer your health questions and provide support.

A CallLink nurse can:

- Discuss symptoms
- Explain treatment options
- Answer questions about conditions
- Offer self-care tips
- Find a health care provider
- Discuss medications

Nurses are available 24/7 by phone at
1-800-962-9497.

Take the stress out of health care decision-making by connecting with a nurse when you need one. It's smart. And convenient.
