

MEDICA®

- > Gives your employees maximum flexibility with freedom to see any network provider without a referral
- > Features one of the region's largest provider networks
- > Delivers savings through network discounts
- > Available in Minnesota, South Dakota, North Dakota and western Wisconsin

Medica Choice®

A regional open access plan

for fully and self-insured groups of 2 or more*

Freedom to **see any provider**
within the Medica Choice network **without a referral.**

Simplicity.

Easy to use

That's how Medica Choice members describe their health plan — and it's why Medica Choice continues to be as popular as ever with today's employers.

With Medica Choice, your employees are free to see any provider without a referral, have access to one of the region's largest provider networks, and benefit from discounts when they choose a network provider.

And like all Medica members, Medica Choice members receive:

- > Comprehensive coverage for preventive and other care needs
- > Prescription drug coverage
- > Access to effective, integrated wellness and health management programs¹
- > Great customer service
- > Travel coverage for care received outside the Medica service area²

Savings. So many options.

Freedom to see any provider

Because Medica Choice is an open access health plan, your employees are free to see any health care provider within the Medica Choice network without a referral. And when your employees travel outside our service area, they have access to one of the nation's largest provider networks through our Travel Program. Ask your broker for details.

Seeing a network provider is so easy

INCREASED SAVINGS

While your employees may see any provider, they receive the best coverage and significantly lower out-of-pocket costs when they choose a Medica Choice network provider.

With 96% of Minnesota providers and a growing number of Wisconsin, South Dakota and North Dakota providers participating in our network, seeing a network provider is easy to do.

While our network is impressive, we're not done growing yet. We continue to add providers to our network every day. For an up-to-date list of network providers, check out Find a Doctor on www.Medica.com.

DECREASED HASSLE

When your employees choose a network provider, all they need to do is show their ID card. What could be easier?

A plan right for any group

There's a Medica Choice plan right for any group. Your broker will help you choose the plan that's right for your budget and your employees. And remember that Medica Choice is available with traditional or high deductible health plan offerings.
