

Trying to Find A Doctor?

Step 1 – Go to www.medica.com or log into www.myMedica.com; click on Find a Doctor; Select your network & follow the prompts

Step 2 – Select a search option by clicking on one of the tabs:

Select from two search options:

Location Search: Search within a geographic area

Name Look up: Search using a name (or partial name) of a provider or clinic

Select Provider Type:

- Primary Care/Home Clinic**
- Primary Care Physician – (Elect or Essential Networks only)**
- Other Physician Specialties**
- Hospital**
- Clinic**

Step 3 – Select **Refine Search** to narrow your search to find exactly what you want

The screenshot shows a web form titled "Find Providers Near a Location" with a "HELP" button in the top right. It is divided into two main sections:

- 1 Enter Address:** Includes a "Street Address" text input field, and "City", "State" (a dropdown menu), and "Zip" (a text input field with "55311" entered) fields. A red error message below reads "Minimum of City/State or Zip Code required".
- 2 Select Provider Type:** Features a dropdown menu labeled "Choose a Provider Type".

At the bottom of the form, there are two buttons: "Find Providers Now" and "Refine Search". The "Refine Search" button is circled in red.

Step 3 – Select a mileage, the specialty and any additional criteria. Select **Find Providers Now** to see a list of providers within the radius you selected.

This screenshot shows the same "Find Providers Near a Location" form but with additional options expanded. At the top, there are tabs for "Location Search" and "Name Lookup". Below the title bar, there is a breadcrumb trail: "Begin Search > Refine Search".

- 1 Select a Mileage:** Contains radio buttons for "5 miles", "10 miles" (which is selected), "15 miles", "20 miles", "30 miles", and "60 miles". Below this is an "OR" section with a text input field for "Enter a mileage you choose. Maximum mileage = 100 miles.".
- 2 Select Additional Criteria (optional):** Includes three dropdown menus for "Select a gender", "Select a language", and "Accepting New Patients?", all set to "No Preference". It also features a "Select a specialty" dropdown menu with options: "No Preference", "Allergy and Immunology", "Audiology", "Cardiology", and "Chiropractic Medicine". A "Select a care system" dropdown menu is also present, set to "No Preference".

At the bottom, there are two buttons: "Start New Search" and "Find Providers Now". The "Find Providers Now" button is circled in red.
